

IN MEMORY OF
GWEN DOWD

Gwen was a very enthusiastic woman
who joined the
Holly Springs Garden Club
in May 2005,
shortly after the club was founded.
Gwen was gracious and full of life.
This is the first native North Carolina tree
planted in our Memory Garden.
It stands in the center of the garden
as a focal point surrounded by a wall of natural stones.

Acer Rubrum Red Maple

Remembered by
Charter Members of the Holly Springs Garden Club
in December 2005

Planted in the
Memory Garden at Bass Lake
Spring 2006
